

**Hvordan
bliver 2018?**

Vejledning

Lav en lille bog med disse ark – brug alle ark eller udvælg dem, du synes dine elever skal svare på.

Print alle ark i A4 (slide 1-6) og lav en lille folder/booklet i A5 på kopimaskinen.

Ved hvert spørgsmål er der en lille tjek-boks ☒ Følg op på spørgsmålene i slutningen af 2018 og se om forudsigelserne var korrekte.

God fornøjelse 😊
