Av for pokker

Der er mange søde børn
i min klasse

Jeg vil male min potte grå

Jeg kunne tydeligt se hajens finne

Min lærer går med meget pudder

Min mor bliver fyrre næste år

Jeg har set en flot tiger
i zoologisk have

Flyveren har en propel

Min kat har en skæv pote

Dine øreringe er fine

Min mor køber ofte nye puder

Min storebror er lige blevet fyret

Ruden begynder at dugge

Jeg skal sjippe med
min veninde efter skole

Der er to store huller i vejen

Jeg har købt en ny hammer

Jeg har fundet en hule i skoven

Fiskene svømmede i stimer

Jeg elsker at spille poker

Jeg skal købe en klase vindruer
