

BLÅ BALLON BILLEDLOTTERI

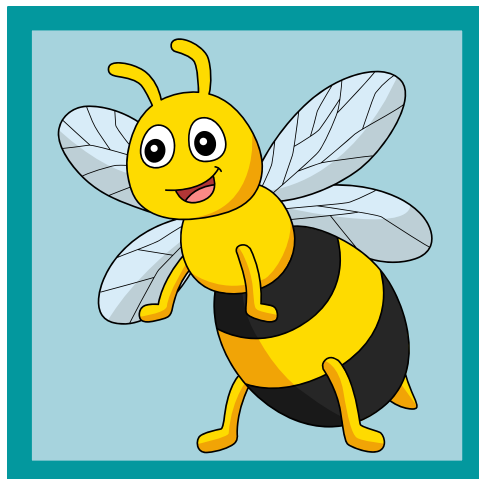

Her er et printselv billedlotteri, som du frit må dele og kopiere. På Blå Ballon på YouTube ligger der læringsfilm med de fleste af dyrene. Spillet her kan således bygge bro til filmene, så man kan arbejde videre med læringen.

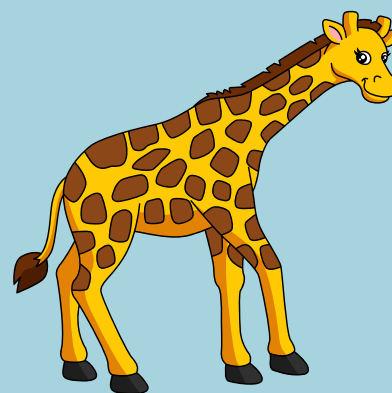

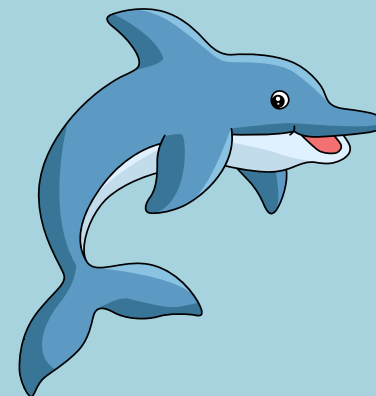

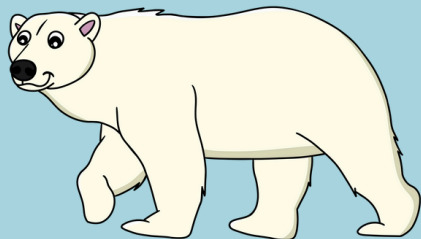

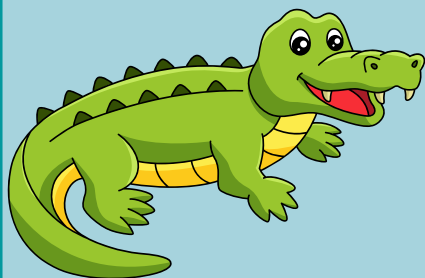

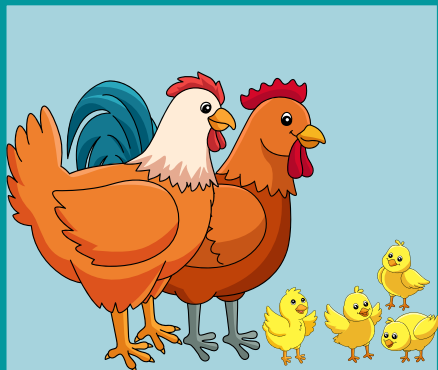

Lim med fordel plade og brikker på karton, inden de klippes ud. Ellers kan man kigge igennem.

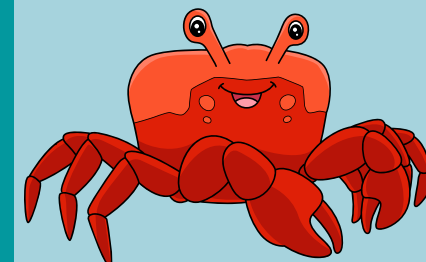

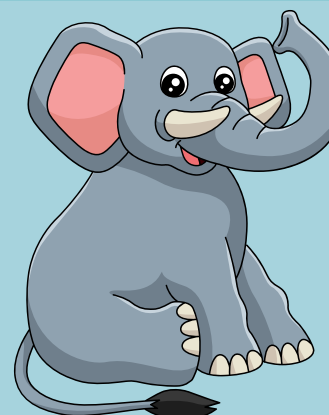

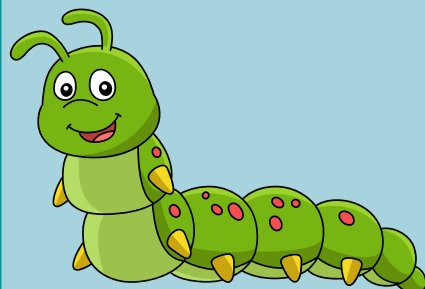

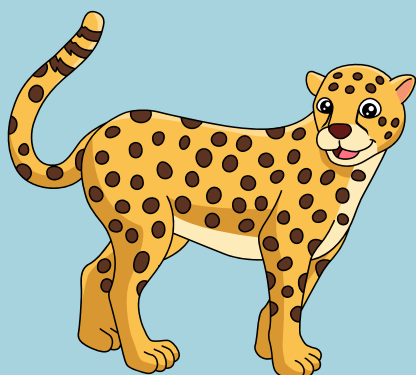

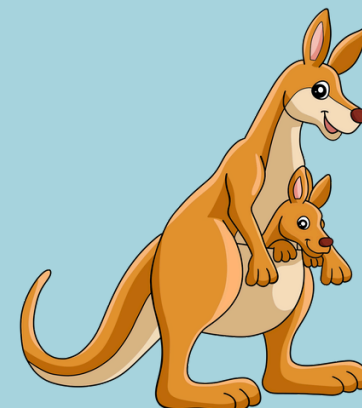

Blå Ballon på YouTube har et mål: Mere dansk indhold på en platform, hvor så mange børn er hver dag. De små film er underholdende. Man kan lære en masse og kanalen har fokus på høj sproglig kvalitet.
