Forårs-tabeller

Leg og læring med tal fra Naturbarnets Skatkammer

Indskoling

- Print, laminer og klip
- Barnet kan tjekke sig selv
- Hurtig og meningsfuld aktivitet
- Naturen i centrum

Se også de andre tabeller til andre årstider og højtider. Ved at have forskellige nye opgaver, opnår du en helt naturlig nyhedsværdi ved materialet og dermed læringen.

De fleste af mine materialer laves med naturen i centrum. På min Instagramprofil @naturbarnets_skatkammer kan du se, når nye læringsmaterialer bliver lagt op.
